About Brigade Air's Director
 Bruce Wolff is the son of Missionaries to Africa. He is a commercial pilot, aircraft mechanic, and certified flight instructor. Bruce is a graduate of Moody Aviation in Tennessee and the King's College in New York. For six years he served as a missionary pilot and mechanic, assisting other evangelical church-planting missionaries in the Sierra Madres mountains of Mexico. Bruce developed the Brigade Air curriculum in 2000, and established the Brigade Air summer aviation camp program in 2001. There have been over 2,100 campers in 96 week-long camps since then.

ABOUT BRIGADE AIR

Brigade Air Summer Camp's mission is to introduce teens, 14-18, to the joy of flying with a Christian emphasis while introducing

the attendees to the privilege of Missionary Flying. Aviation has a natural appeal to teens. Brigade Air harnesses that interest and focuses their attention on technical missions.

ABOUT BAPTIST PARK

Baptist Park is 320 acres of land located amidst the rolling hills and farmland of Aroostook County Maine. Offering a heated indoor pool, outdoor basketball courts, mountain biking, zip line, miniature golf, and other activities, campers spend their days learning what the Bible says, making lifelong friends, having fun, growing as individuals, and growing in their relationship with Christ.

Flight Camp campers will make the short trip to Presque Isle's Northern Maine Regional Airport each day. At the airport they will be introduced to all aspects of aviation, both on the ground and in the air (weather permitting).

For more information about Baptist Park, call (207) 764-1832 or visit www.baptistpark.net
